As a scholar exactly feel bored to be able to reading. If their teacher expected them to go to the library in order to make summary for some e-book, they are complained. Just minor students that has reading's soul or real their hobby. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that looking at is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this By Sarah Dessen - This Lullaby (2.7.2004) can make you sense more interested to read.
