Karen Delamora:

As a pupil exactly feel bored to reading. If their teacher requested them to go to the library or make summary for some book, they are complained. Just very little students that has reading's soul or real their passion. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's
