## **Precise visual communication requires first-rate typography skills**

*Typographic Design: Form and Communication, Sixth Edition* is the latest update to the classic typography text that covers all aspects of designing with type. Revised to reflect the shift in graphic design conception and understanding, the book contains a brand-new exploration of typography in media versus typography in motion, and provides the latest information on emerging trends and technology in the design process. Full-color images showcase recent design examples and a companion website features a robust collection of resources for students and instructors. Striking a balance between fundamental information and pivotal new knowledge and ideas, the book provides the perfect basis for engaging new learners as well as seasoned professionals.

Typography is the comprehensive design of type, encompassing selection, placement, manipulation, and communication. An integral element of the graphic designer's arsenal, typography skills translate across industry boundaries into print, video, film, television, packaging, advertising, digital design, and more.

*Typographic Design* provides insight, information, and practical instruction for every step in the process, from concept to execution. Topics include:

- Letterforms, syntax, and legibility
- Communication and the typographic message
- Evolution and technology of typography
- Typographic design processes, and using the grid

The book also contains case studies that illustrate the successful use of typography, demonstrating the impact of good type on the overall design, and a listing of type specimens that exhibit good communication through good design. Words are an important part of the human condition, and presentation can have a major impact on the message. Graphic designers must be able to manipulate type to convey precisely what's intended, and *Typographic Design* is a comprehensive guide to mastery.

### **From reader reviews:**

#### **Mary Gillon:**

What do you about book? It is not important along? Or just adding material when you require something to explain what the one you have problem? How about your spare time? Or are you busy person? If you don't have spare time to do others business, it is gives you the sense of being bored faster. And you have extra time? What did you do? Everyone has many questions above. They have to answer that question mainly because just their can do that will. It said that about book. Book is familiar in each person. Yes, it is right. Because start from on jardín de infancia until university need this Typographic Design: Form and Communication to read.

#### **Julio Yates:**

Information is provisions for people to get better life, information presently can get by anyone on everywhere. The information can be a know-how or any news even a problem. What people must be consider if those information which is in the former life are hard to be find than now could be taking seriously which one would work to believe or which one the particular resource are convinced. If you receive the unstable resource then you have it as your main information it will have huge disadvantage for you. All those possibilities will not happen with you if you take Typographic Design: Form and Communication as your daily resource information.

#### **Margaret Walker:**
