Two friends, two sons, two shocking and intense love affairs . . .

Roz and Lil have been best friends since childhood. But their bond stretches beyond familiar bounds when these middle-aged mothers fall in love with each other's teenage sons—taboo-shattering passions that last for years, until the women end them, vowing to have a respectable old age. With *Adore*, Doris Lessing, winner of the Nobel Prize for Literature, once again proves her unrivaled ability to capture the truth of the human condition.
