Cthulhu Mythos Encyclopedia Daniel Harms

Arc Dream Publishing is proud to present the first-ever ebook edition of the legendary Cthulhu Mythos Encyclopedia by Dan Harms.

"...some day the piecing together of dissociated knowledge will open up such terrifying vistas of reality, and of our frightful position therein, that we shall either go mad from the revelation or flee from the deadly light into the peace and safety of a new dark age." --H.P. Lovecraft, 'The Call of Cthulhu'

That day is here. The Cthulhu Mythos Encyclopedia explains every mind-blasting facet of the Cthulhu Mythos envisioned by H.P. Lovecraft and expanded by countless horror writers and gamers in the decades since the master's death.

From "Abboth" to "Zylac," with in-depth stops along the way for the likes of "Azathoth" and "Yog-Sothoth," the Cthulhu Mythos Encyclopedia painstakingly pieces together disassociated knowledge of every last Thing Which Man Was Not Meant to Know.

And now it's digital, with a comprehensive linked table of contents and the built-in searchability of e-readers. You will go mad from revelation faster than ever before.
