God's covenant promises do not fail. This book is written to help you achieve all God's promises for your life. It is a careful and elaborate study, with personal testimonies, on the ability and willingness of God to perform all his words towards us. He said that He watches over His words to bring them to pass. Here, we will critically look at the dynamics of a divine promise; how it is established, maintained and nurtured to fruition. Every covenant promise has its beginning, timing and conditions. We must always know this to be able to perfectly and comfortably key into God's will for our life. Indeed, all things are possible with God!
