This book is in response to the concern of many non-Hispanic religious leaders and churches on how to reach out to the Hispanic community through an effective preaching. The gospel is a vehicle of healing and unity with the power to promote the healthy integration of Hispanics to their new environment. Preaching can bring communities together. This book will give non-Hispanic leaders general knowledge and skills to craft and deliver their sermons with sensibility and connection. The findings of this study and the recommendations offered in this book to non-Hispanics have been validated by relevant literature about the subject of preaching. This book will help non-Hispanic preachers to connect with Latinos with a relevant, interesting and passionate message. Non Hispanic religious leaders will meet the challenge of proclaiming the truth of the gospel in such a way that will cause Hispanics to listen and to respond to the gospel of our Lord Jesus Christ.
