SHADOW TRACKER Keith Nelson

Kurt Christianson is a natural military strategist and survivor. Independent, unorthodox, resilient and resolute, he displays skills which flout established procedures. His courage and insight whilst in Special Forces in 'Nam' unwittingly unravel a traitorous alliance, making him a threat to his superiors and placing his life in mortal danger. This threat, combined with his inability to adjust to civilian life, spurs him to leave his beloved and beautiful Maine coastline and embark on a path of revelation and serendipity. He crews a boat being delivered to the oil fields in West Africa, where he becomes embroiled in covert action and again demonstrates his innate and inspired tactical abilities. A hunted man, his journey leads him to bitter combat in a brutal landscape, tragic loss and to fulfil a San prophecy whilst wrestling with his alter ego - Mad Medic - and his Viking ancestry. The merciless and barbaric slaughter of a little girl and her family by terrorists move him to astonishing, crucial and shocking acts which change the course of a ravaged and savaged country. Kurt is also driven to revenge, a deed which violates his code of ethics and irreversibly affects his destiny. Ultimately, Kurt faces the inescapable and irrefutable knowledge that heroes are human and therefore fallible and that glory, however hard-won and merited, is illusory and hollow. Shadow Tracker, an adrenaline-charged adventure, engages the reader in events which remain unknown to most of the world and leave one breathless. Keith A. Nelson was born in DeKalb, Illinois in 1951. He served in both the US Army Special Forces (Green Berets) and the Rhodesian Light Infantry. Earning a degree in medicine at the University of Rhodesia (now Zimbabwe) in 1982 he worked in Medical Research and was a Human Health Risk Assessment Manager on nuclear cleanups in the US. Keith lives in southern Ohio with Mary, his Rhodesian born wife of 29 years, and has two grown children, Chris and Laura.

Is it an individual who having spare time then spend it whole day through watching television programs or just telling lies on the bed? Do you need something totally new? This SHADOW TRACKER can be the response, oh how comes? A book you know. You are consequently out of date, spending your spare time by reading in this fresh era is common not a geek activity. So what these guides have than the others?

Regina Dye:

As a university student exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some book, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that reading is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this SHADOW TRACKER can make you really feel more interested to read.
