The Faces of Power Seyom Brown

In the new edition of this major work, Seyom Brown brings his authoritative account of United States foreign policy completely up-to-date with analyses of the Truman administration to the Clinton administration. Most notably, Brown provides an insightful overview of the last three presidencies, beginning with an expanded treatment of the Reagan years to the first major scholarly assessment of Bush's foreign policies to Clinton's early ambivalence toward grappling with the dilemmas of the post-Cold War world.
