Theodoret's People: Social Networks and Religious Conflict in Late Roman Syria

Adam M. Schor

Theodoret's People: Social Networks and Religious Conflict in Late Roman Syria Adam M. Schor
Theodoret's People sheds new light on religious clashes of the mid-fifth century regarding the nature (or natures) of Christ. Adam M. Schor focuses on Theodoret, bishop of Cyrrhus, his Syrian allies, and his opponents, led by Alexandrian bishops Cyril and Dioscorus. Although both sets of clerics adhered to the Nicene creed, their contrasting theological statements led to hostilities, violence, and the permanent fracturing of the Christian community. Schor closely examines council transcripts, correspondence, and other records of communication. Using social network theory, he argues that Theodoret's doctrinal coalition was actually a meaningful community, bound by symbolic words and traditions, riven with internal rivalries, and embedded in a wider world of elite friendship and patronage.
