"Eaten Alive???"

Earl Mason was your average small town pharmacist whose hidden sideline was manufacturing Methamphetamine for the largest drug dealer in southwest Missouri. In a failed attempt to improve his meth recipe and give these emaciated drug addicts a case of the munchies, he adds a powerful hunger enzyme that alters and damages their brain. It creates uncontrollable aggression and hunger which is focused solely on their species. They want human flesh! In effect, he creates a mindless cannibal that is stronger, faster, and impervious to pain. As the problem manifests, read how each drastically different town, with varying law enforcement resources attempts to deal with, and contain the problem. What would you do if 911 was busy? Written as a novel, the premise has turned out to be prophetic as evidenced in recent news headlines. They blame "bath salts." However, one of the main ingredients is methylenedioxypropylamphetamine (MDPV.) The key is the first four letters.....Meth. This drug when mixed with a number of other chemicals can produce unimaginable effects on the hypothalamus part of the brain. Ever wonder why an anti-depressant can have the contradictory side effect of suicide? Simply because dousing the hypothalamus with chemicals can be unpredictable, and a known fact in the pharmaceutical and medical communities. So the human behavior I describe has already occurred when a man ate another man's face in Miami, then cannibalism in Canada, then Louisiana. So who is next? Did you ever wonder what could be more horrifying than a zombie? Reality!"

From reader reviews:

Cindy Martin:

Reading a publication can be one of a lot of task that everyone in the world adores. Do you like reading book so. There are a lot of reasons why people love it. First reading a publication will give you a lot of new details. When you read a e-book you will get new information due to the fact book is one of several ways to share the information or their idea. Second, studying a book will make you more imaginative. When you reading a book especially fiction book the author will bring you to imagine the story how the people do it anything. Third, you may share your knowledge to some others. When you read this Famished, you can tells your family, friends along with soon about yours reserve. Your knowledge can inspire the mediocre, make them reading a reserve.

Beth Stewart:

Reading a e-book tends to be new life style in this particular era globalization. With studying you can get a lot of information which will give you benefit in your life. With book everyone in this world can certainly share their idea. Guides can also inspire a lot of people. Lots of author can inspire their very own reader with their story as well as their experience. Not only the storyline that share in the publications. But also they write about advantage about something that you need case in point. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors these days always try to improve their expertise in writing, they also doing some analysis before they write to the book. One of them is this Famished.

Julie Moore:

The reason? Because this Famished is an unordinary book that the inside of the guide waiting for you to snap it but latter it will zap you with the secret the idea inside. Reading this book alongside it was fantastic author who else write the book in such incredible way makes the content on the inside easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you for not hesitating having this ever again or you going to regret it. This book will give you a lot of benefits than the other book include such as help improving your skill and your critical thinking approach. So , still want to postpone having that book? If I have been you I will go to the book store hurriedly.

Kevin Caputo:

That e-book can make you to feel relax. This book Famished was multi-colored and of course has pictures on the website. As we know that book Famished has many kinds or type. Start from kids until teens. For example Naruto or Private eye Conan you can read and think you are the character on there. So , not at all of book are make you bored, any it makes you feel happy, fun and chill out. Try to choose the best book for yourself and try to like reading that will.
