## MasteringPhysics with Pearson eText -- Standalone Access Card -- for College Physics (9th Edition) (Mastering Physics (Access Codes)) Hugh D. Young

**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

### Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

### Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

### Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

--

**Used by over a million science students, the Mastering platform is the most effective and widely used online tutorial, homework, and assessment system for the sciences. This is the product access code card for MasteringPhysics with Pearson eText Student Access Code Card and does not include the actual bound book.**

For more than five decades, Sears and Zemansky's **College Physics** has provided the most reliable foundation of physics education for students around the world. The **Ninth Edition** continues that tradition with new features that directly address the demands on today's student and today's classroom.

A broad and thorough introduction to physics, this new edition maintains its highly respected, traditional approach while implementing some new solutions to student difficulties. Many ideas stemming from educational research help students develop greater confidence in solving problems, deepen conceptual understanding, and strengthen quantitative-reasoning skills, while helping them connect what they learn with their other courses and the changing world around them. Math review has been expanded to encompass a full chapter, complete with end-of-chapter questions, and in each chapter biomedical applications and problems have been added along with a set of MCAT-style passage problems. Media resources have been strengthened and linked to the Pearson eText, MasteringPhysics®, and much more.

This package contains:

- MasteringPhysics with Pearson eText Student Access Code Card for College Physics, Ninth Edition

### **From reader reviews:**

#### **Francis Garcia:**

The book MasteringPhysics with Pearson eText -- Standalone Access Card -- for College Physics (9th Edition) (Mastering Physics (Access Codes)) can give more knowledge and information about everything you want. Why must we leave the best thing like a book MasteringPhysics with Pearson eText -- Standalone Access Card -- for College Physics (9th Edition) (Mastering Physics (Access Codes))? A few of you have a different opinion about publication. But one aim that will book can give many facts for us. It is absolutely proper. Right now, try to closer with the book. Knowledge or details that you take for that, you may give for each other; you can share all of these. Book MasteringPhysics with Pearson eText -- Standalone Access Card -- for College Physics (9th Edition) (Mastering Physics (Access Codes)) has simple shape however you know: it has great and massive function for you. You can look the enormous world by available and read a reserve. So it is very wonderful.

#### **Sean Mills:**

In this period of time globalization it is important to someone to find information. The information will make someone to understand the condition of the world. The healthiness of the world makes the information better to share. You can find a lot of references to get information example: internet, classifieds, book, and soon. You can view that now, a lot of publisher which print many kinds of book. Often the book that recommended to you is MasteringPhysics with Pearson eText -- Standalone Access Card -- for College Physics (9th Edition) (Mastering Physics (Access Codes)) this reserve consist a lot of the information in the condition of this world now. This particular book was represented how do the world has grown up. The vocabulary styles that writer require to explain it is easy to understand. The actual writer made some exploration when he makes this book. That's why this book suited all of you.

#### **Steve Domingo:**

As we know that book is essential thing to add our know-how for everything. By a guide we can know everything we would like. A book is a group of written, printed, illustrated as well as blank sheet. Every year ended up being exactly added. This publication MasteringPhysics with Pearson eText -- Standalone Access Card -- for College Physics (9th Edition) (Mastering Physics (Access Codes)) was filled in relation to science. Spend your free time to add your knowledge about your research competence. Some people has diverse feel when they reading a new book. If you know how big benefit of a book, you can feel enjoy to read a publication. In the modern era like right now, many ways to get book you wanted.

#### **Estela Gillard:**

What is your hobby? Have you heard this question when you got learners? We believe that that problem was given by teacher for their students. Many kinds of hobby, Every individual has different hobby. And you also know that little person like reading or as reading through become their hobby. You must know that reading is

very important in addition to book as to be the matter. Book is important thing to provide you knowledge, except your personal teacher or lecturer. You see good news or update regarding something by book. Numerous books that can you choose to adopt be your object. One of them are these claims
