Counterpoint to Reality: A Personal Journey Mr Stephen John O'Connor

My personal journey exploring the parallel path our spirit/soul takes, hidden behind the chaos of our lives. Light Energy whispers and nudges us in new directions that fulfill our life-path, giving us meaning and focus and allowing us to follow the route we have chosen before our births. I relate personal stories about initiations into esoteric orders, meeting my guardian, exploring past lives and their influences and gifts, ayahuasca and the Santo Daime church of Brazil and much more.
