Q, Y, X, T, T and B are not merely high-scoring Scrabble tiles; they represent the people in Sabas life who feature on her blog, My Brothers Wedding. Sabas brother, Y, is to get married and, since the day her mother and sister began scanning the horizon for prospective brides, theres never been a dull moment at home. Saba, though, just cannot understand what the fuss is all about. A literature student pulled away from her beloved books, she finds the blogosphere a good place to rant in and to share with the world how a wedding can make everything around you go haywire. Join Saba and her family as they quarrel over shopping, expenses and responsibilities, and as they realize gradually that theres nothing like a wedding to bring a family together.
