## Theology As Conversation: The Significance of Dialogue in Historical and Contemporary Theology: A Festschrift for Daniel L. Migliore

This unique volume invites readers into “conversations” on religion, theology, and social movements. The authors offer a variety of essays that not only contribute to creative thinking past long-standing impasses but also inspire new conversations. Some document historically inspired debates that helped shape the theological reflection of the time in which they occurred. Some imagine a dialogue that never happened but that the contributor wished had taken place. Still others take a thematic approach and create a dialogue between religions or theology and a pressing social or political issue. / Theology as Conversation is a creative and constructive work, a fitting tribute to Princeton Theological Seminary professor Daniel L. Migliore.
