Curvy country girl Harley “my daddy really loves his hogs” Turner is done with men. She has other things on her mind, like the fact that her family's farm is about to go under if the concert they're hosting doesn't sell out. But when the sweet-talking lead singer of Tennessee Honey comes sauntering into town, Harley's plans go up in a puff of smokin' hot country superstar.

Bear shifter Boone Reynolds doesn't do small towns. Not anymore. So the fact that his band has to play five backwoods towns before they can go back to their real tour has him about ready to blow.

First stop? Redding, Georgia. Population: Who gives a damn. Definitely not Boone. That is until he meets spitfire Harley in a rundown bar.

And as far as he and his bear are concerned, she already belongs to him. She just doesn't know it yet.

Boone makes Harley tingle in all the right ways, even if she isn't willing to admit it. But she's not gonna be another notch in his belt. No way, no how.

Now Boone only has a few days to convince Harley he isn't just after a quick roll in the hay. He wants her forever, and he's willing to fight off a crazy ex, and even give up his fame and fortune to be with her.

Bear Country: Boone is Book 1 in the Bear Country series. It can be enjoyed as a sexy standalone, or read as part of a series.

A Note For Readers: This book contains a sexy as sin werebear who's gotten a little too big for his britches and the fiery BBW who helps him get back to his roots. It also contains explicit love scenes (of the panty-melting variety) and naughty language. Adults only paranormal romance!
