Diana Butler Bass

Strength for the Journey: A Pilgrimage of Faith in Community Diana Butler Bass

In *Strength for the Journey*, Diana Butler Bass illustrates the dynamic strength and persistence of mainline Protestantism. While many baby boomers left the church, only to come back later in life, Bass was a "stayer" who witnessed the struggles and changes and found much there that was meaningful. Offering thought-provoking portraits of eight parishes she attended over two decades, she explores the major issues that have confronted mainline denominations, congregations, and parishioners during those years--from debates over women clergy to conflicts about diversity and community to scrimmages between tradition and innovation.
