Around the World in Eighty Days L.E. Smart, Jules Verne

Jules Verne's classic adventure novel has been rewritten with all the characters regendered. Now follow Philomena Fogg, and her companion Jeanne Passepartout, as they attempt to travel around the world in eighty days!

Whilst discussing the recently opened Indian train line, Philomena Fogg suggests it's now possible to travel around the globe in under eighty days, a feat never before achieved. Challenged by her companions to prove it, Ms Fogg wagers her entire fortune on the outcome.

Wasting no time, she sets out with her new servant, Jeanne Passepartout. Together, they encounter all manner of adventures and obstacles.

From reader reviews:

Greg Wilson:

As people who live in the modest era should be revise about what going on or info even knowledge to make these keep up with the era that is always change and move forward. Some of you maybe may update themselves by studying books. It is a good choice in your case but the problems coming to an individual is you don't know what type you should start with. This Around the World in Eighty Days is our recommendation to help you keep up with the world. Why, since this book serves what you want and want in this era.

Charlotte Maas:

Reading a guide tends to be new life style with this era globalization. With reading you can get a lot of information that may give you benefit in your life. Together with book everyone in this world can share their idea. Ebooks can also inspire a lot of people. Plenty of author can inspire their very own reader with their story or their experience. Not only the storyline that share in the publications. But also they write about the information about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors on this planet always try to improve their skill in writing, they also doing some analysis before they write to their book. One of them is this Around the World in Eighty Days.

Carol Castaneda:

The book Around the World in Eighty Days has a lot of information on it. So when you make sure to read this book you can get a lot of gain. The book was published by the very famous author. The author makes some research previous to write this book. This specific book very easy to read you can find the point easily after scanning this book.

Donald Lombard:

As a university student exactly feel bored to help reading. If their teacher inquired them to go to the library as well as to make summary for some book, they are complained. Just small students that has reading's soul or real their pastime. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that studying is not important, boring as well as can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Around the World in Eighty Days can make you sense more interested to read.
