Every girl dreams of living happily ever after with her Prince-but how do you tell a Prince from a Frog? This book follows Natalie, Meghan, Ella and Elizabeth through their relationships, as they gain the skills to determine if the guy they're with is the right guy for them. By the end of the book each girl feels empowered by her experiences, both good and bad, to get on with building better relationships. Frog or Prince? shows a young woman how to identify her needs and make good choices to get those needs met. It gives her information and practical tools to differentiate between a Frog and a Prince. By showing her how to set her bar, use the Frog/Prince List, get out of a Frog trap, and cope with lovesickness, the book is an indispensable guide for any woman who wants to develop the skills to live a beautiful life and experience the fairy tale that is possible.
