## TWO E-BOOKS IN ONE

### The Drucker Lectures

*The Drucker Lectures* features more than 30 talks from one of management's most important figures. Drawn from the Drucker Archives at the Drucker Institute at Claremont Graduate University, the lectures showcase Drucker's wisdom, wit, profundity, and prescience on such topics as:

- Politics and economics of the environment
- Knowledge workers and the Knowledge Society
- Computer and information literacy
- Managing nonprofit organizations
- Globalization

### What Would Drucker Do Now?

As technology, globalization, and business innovation advance at breakneck speed, the question “What would Drucker do now?” becomes more relevant by the day. More than anyone of his time, Peter Drucker understood how the individual, the organization, and society are interrelated. And no one better recognized and articulated the challenges facing all three—or came up with more practical solutions to those challenges.

Since 2007, the Drucker Institute’s executive director, Rick Wartzman, has been asking what Drucker would do on a regular basis—in his popular online column for *Bloomberg Businessweek*. In each piece, Wartzman introduces a current issue and provides a view of it through the eyes of Peter Drucker, based on his deep knowledge of Drucker’s ideas and ideals.

*What Would Drucker Do Now?* culls Wartzman’s best, most timely columns into a single volume, offering a perspective on business and society you won’t find anywhere else.
