What will happen when Creeper 3211 gets a renewed thirst for destruction?

Take a look into the mind of a Minecraft creeper and find out why creepers feel the need to blow up everything.

Creeper 3211 just might be the sneakiest and most destructive of all. When he sets his mind on blowing up a new village construction site, nothing can change his mind. Unfortunately, he must also enlist the help of other Creepers in order to be successful. Will this help or hinder his plans of destruction?

Will Creeper 3211 succeed in his plans for ultimate destruction or will his plans be foiled by a larger enemy?
