The Aramaic-English Interlinear New Testament

David Bauscher

The Aramaic-English Interlinear New Testament David Bauscher

This is The New Testament in the language of Jesus and his countrymen of 1st century Israel, with a word for word translation into English next to each Aramaic word. Aramaic was used in Mel Gibson's film "The Passion of the Christ" to make the film as realistic as possible. This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of "Yeshua" ("Jesus" in ancient Aramaic) as He originally spoke them and a very literal English rendering. Much evidence is presented demonstrating very powerfully that The Peshitta Aramaic NT is the original behind The Greek NT. There are many graphics and even photos from Dead Sea Scrolls to illustrate an Aramaic verse and how a reading was interpreted by a Greek translating the text. 625 pages. B&W Hardback 6x9". Pastor Dave is a former high school science teacher with a proficiency in Hebrew, Greek and Aramaic and has been preaching & teaching The Bible since 1976 in several churches in the USA. His web site is aramaicnt.com
