Wicked Wagers: Lovin' Las Vegas Series Books 1-4 Kathy Ivan

It's party time in Las Vegas when four former college roommates and best friends converge on Sin City. Add in a crazy drunken bet about finding the "one that got away" to see if there's a spark still burning after all these years—how bad could it be?

IT HAPPENED IN VEGAS (Lovin' Las Vegas Book #1)

That's what Charlotte "Charlie" King thinks after agreeing to the foolish bet. Her friends convince her to reconnect with the one man she's been unable to forget. Only there's a catch—he's the older brother of her former fiancé.

Rodeo star Jared Drake is in Las Vegas for the Grand National finals. He's shocked to see Charlie at the arena. The split between her and his brother wasn't pretty. Plus, he feels partly responsible for their breakup, since the chemistry between him and Charlie was off the charts from the moment they met.

Misunderstandings and lies kept them apart four years ago. Can they find a way past all their obstacles and take a chance on finding a path to happily ever after or will the lies from the past drive them apart forever?

CRAZY VEGAS LOVE (Lovin' Las Vegas Book #2)

The next day, after coming to her senses, Gloria Valenzuela had no intention of going through with the bet. Not until one of the other women played fairy godmother and arranged things so Gloria had no choice but to meet up with her ex.

A world famous country music star, Kyle Greenwood had everything he'd ever wanted except for the one thing he'd left behind—Gloria. Then fate in the form of his matchmaking manager lends a hand and brings Gloria back into his life.

Before the night is over, a simple practical joke escalates into more than either anticipate. Secrets from their past begin to unravel and threaten their last chance at happiness. Can they overcome their obstacles and hold onto their happily ever after?

MARRIAGE, VEGAS STYLE (Lovin' Las Vegas Book #3)

When Cynthia "Cyn" Evans finds herself without access to cash and credit cards, she's tempted to cave in to her mother's demands to return home and become engaged to someone who's earned the family approval. That is, until she runs into Noah Cochran in the hotel lobby. What are the odds the one man she decided not to look for is right here in Vegas?

Noah Cochran can't believe his luck. The consortium deciding on the contract for the brand new casino complex has narrowed its choices down to five contenders, and his company is at the top of the list. But he's the only unmarried businessman in the running, and if he wants to make a good impression, he needs a fiancée—fast.

A fake engagement seems the ideal solution, until things spiral out of control. Will outside forces pull them apart when they've just found each other again, or can they hang on tight for their own happily-ever-after?

A VIRGIN IN VEGAS (Lovin' Las Vegas Book #4)

Diana Samson loves her friends and isn't above pulling a few strings to help them find their long lost loves. She didn't have a past love from college, so her best friends agreed her bet should be modified—for her to win, she had to have a wild passionate one-night stand with a stranger.

Kirk Jamison was fascinated with the curvy redhead who landed in his arms after nearly falling. When she offered to spend the night with him, he couldn't refuse. Things heated up, until he got called back on a case, and he's forced to leave before they make love, with a promise to keep in touch. Little does he know, Diana has no intention of ever seeing him again.

Desire's flame burned hot between the two once. Can the flames of desire be rekindled into a raging inferno or will misunderstandings tear them apart? Only a return trip to Vegas holds the answer to their happily-ever-after.
