Apocalypse Recalled Harry O. Maier

The Book of Revelation has often been read as a set of endtime scenarios, glorifying a vengeful God and predicting and even fomenting apocalyptic violence. Yet it continues to exert a profound hold on the dreams and visions, fears and nightmares of our contemporary, first-world, secular culture. Harry Maier insists that, however much one is skeptical of its misuse or awed by its influence, Revelation still harbors a powerful and important message for Christians today. His fascinating book, erudite yet also intensely personal, asks us to recall Apocalypse through a careful exegesis of Revelation's deeper literary currents against the backdrop of imperial Rome. He explores the narrator's literary identity, the plot or journey of the text, its many ocular and aural dimensions, and the ambiguous temporal dimensions of its "past vision of a future time." Revelation, he believes, "offers an inversion of the violent and militaristic ideals of a first-century Roman Empire by offering a highly ironical political parody of imperial politics and insisting the true power belongs to the hero of the Apocalypse, the Slain Lamb." In the end, *Apocalypse Recalled* seeks to free the imprisoned John of Patmos and employ his massively influential and controversial text to awaken a sleeping, sidelined, and culturally assimilated church to new imperatives of discipleship. **Key Features** A responsible study that rescues the Book of Revelation from fundamentalist interpretations A call to understand and emulate the early church's relationship to political power A creative hypothesis about the literary character of the book

From reader reviews:

Kimberly Williams:

Here thing why that Apocalypse Recalled are different and trustworthy to be yours. First of all reading through a book is good but it depends in the content of computer which is the content is as yummy as food or not. Apocalypse Recalled giving you information deeper and different ways, you can find any guide out there but there is no e-book that similar with Apocalypse Recalled. It gives you thrill reading journey, its open up your personal eyes about the thing in which happened in the world which is perhaps can be happened around you. You can actually bring everywhere like in park, café, or even in your technique home by train. Should you be having difficulties in bringing the branded book maybe the form of Apocalypse Recalled in e-book can be your alternate.

William Bellard:

Nowadays reading books be a little more than want or need but also become a life style. This reading behavior give you lot of advantages. Advantages you got of course the knowledge the rest of the information inside the book in which improve your knowledge and information. The details you get based on what kind of book you read, if you want attract knowledge just go with knowledge books but if you want experience happy read one with theme for entertaining including comic or novel. The Apocalypse Recalled is kind of reserve which is giving the reader unpredictable experience.

Joyce Volz:

Your reading sixth sense will not betray an individual, why because this Apocalypse Recalled guide written by well-known writer we are excited for well how to make book that may be understand by anyone who have read the book. Written within good manner for you, still dripping wet every ideas and composing skill only for eliminate your current hunger then you still doubt Apocalypse Recalled as good book not just by the cover but also with the content. This is one publication that can break don't determine book by its handle, so do you still needing another sixth sense to pick that!? Oh come on your examining sixth sense already alerted you so why you have to listening to one more sixth sense.

Colleen Edwards:

Reading a book to be new life style in this yr; every people loves to examine a book. When you study a book you can get a wide range of benefit. When you read books, you can improve your knowledge, because book has a lot of information on it. The information that you will get depend on what forms of book that you have read. If you need to get information about your examine, you can read education books, but if you want to entertain yourself you are able to a fiction books, such us novel, comics, along with soon. The Apocalypse Recalled provide you with new experience in reading a book.
