For Miranda, Newark has nothing to offer except a dead-end job, a crummy apartment, and an abusive boyfriend. But when her younger sister signs her up for an online dating website to prove to her the kinds of guys who would be interested in her, she starts an online connection with the perfect guy. He's handsome, he's a real-life cowboy, and...he's in his seventies! Miranda steps off the bus to find the man of her dreams waiting for her, only he doesn't know it. His elderly father, concerned that his six sons are isolated on their highly prosperous 800,000-acre ranch signed up one of his oldest boys and did a little matchmaking behind their backs. Now Miranda and Casey have a choice to make, but will they be willing to put aside their mistrust and give this a shot, or go their separate ways?
