So many in Christianity are confused about their beliefs, it's no wonder that those new to the faith have trouble knowing where to start. In *Real Life Christianity: 7 Basic Principles for Successful Christian Living*, author Alan Kelly helps both kinds of readers see that with the right guide, it is not hard to bring our faith into our daily lives. Beginning with a solid foundation of who God is and who we are, *Real Life Christianity* then demonstrates what went wrong in our relationship with God and what God has done to redeem us. With these principles in place, Alan moves on to show in simple terms how God has planned for us to live a successful life by changing the way we think. This daily process of applying what we learn in the Bible to the routines and events of our real lives helps us to go from just surviving to flourishing, from living a hectic and harried life to living the abundant and prosperous life God promised in his word.
