To his parents' dismay, Colin Keith - out of the noble but misplaced sense of duty peculiar to high-minded young university graduates - chooses to quit his training for the Bar and take a teaching job at Southbridge School. Little does Colin imagine that he will count among his pupils the demon in human form known as Tony Morland; or that the master's ravishing, feather-brained daughter Rose will, with her flights of fancy and many admirers, spread chaos throughout school and village. Humorous, high-spirited and cleverly observed, *Summer Half* is a comic delight.
