## **Creation Myth** Peter Torbay

"A crooked card game sets two star-crossed lovers on an epic cross-country struggle to regain the lost money and set things right. Now fate has handed Nick Paul a wear- worn journal. A journal full of myths, clues, riddles. But time was running out before all would be lost..."

Creation Myth © 2000 Peter Torbay  
& eLandre Productions

Peter Torbay's adventure traces the tale of a returning war veteran, caught up in an elaborate con game and a failed drug deal, who's forced by fate to travel to the ends of the earth in search of redemption, and a reunion with his dreams. Told through a narrator who discovers the hero's journal, then moving between past and present, the surprise ending is sublime.
