God's Covenants: Learning About God and His Word Dr. Charles E. Green

Even though the Bible has been translated into everyday language for hundreds of years, many people still see it as a book that only scholars and clergy can understand. But the truth is that the Bible is for everyone, and anyone is capable of understanding the good news revealed in its pages.

Dr. Charles E. Green is a scholar and a pastor, but as a writer, he delivers the Bible in bite-size portions that allow anyone to “taste and see” the life-giving truths of the Bible.

Written in an easy-to-follow format and brimming with scripture passages, the book quickly makes sense of biblical concepts and texts that once seemed difficult. Instead of dividing the Bible into the Old Testament and New Testament, *God's Covenants* separates the Bible into the old covenant and the new covenant. And before diving into any stories, Dr. Green first builds a foundation by addressing the key to biblical understanding: the nature of God.

The Bible is God's story of salvation, and in it you can find God's will for your life. Don't wait to discover its good news—let *God's Covenants* light the way to understanding God's word.
