For One More Day

Mitch Albom

For One More Day Mitch Albom

In his highly anticipated new novel, Albom tenderly explores the themes of family, divorce, and regrets, and the wish that we could have just one more day with a lost loved one.

Charley, a child of divorce, is forced to choose between his mother and his father. He grows into a man and starts a family of his own. But one fateful weekend, he leaves his mother to secretly be with his father, and she dies while he is gone. This haunts him for years and unravels his own young family. It leads him to depression and drunkenness, and one night, he decides to take his life. But somewhere between this world and the next, he encounters his mother again, in their hometown, and gets to spend one last day with her -- the day he missed and always wished he'd had. He asks the questions many of us yearn to ask, the questions we never ask while our parents are alive. By the end of this magical day, Charley discovers how little he really knew about his mother, the secret of how her love saved their family, and how deeply he wants a second chance to save his own.
