Never Forgive Me, Never Forget Me Kyle Atwood

Simon Grey's young life has always been a struggle, a downward spiral laced with depression, anxiety, and loneliness. Now it seems even reality has turned against him.

Simon awakes in an abandoned hospital and soon finds that his entire city has lost all power and has fallen almost completely silent, all the streets empty except for impossibly deformed and horrifying creatures.

The questions impale Simon's head like spears from the void,

Where did all of these things come from?

How did an entire city just go away in a few hours?

Is this even real?

Follow Simon's slowly decaying mind as he searches through the darkness for answers, he's sure, doesn't exist.
