War has come to Melengar and once more Royce and Hadrian are hired to make a desperate gamble and form an alliance with the Nationalists who are fighting the Imperialists in the south. But Royce has plans of his own and uses this opportunity to discover if an ancient wizard is using Riyria as pawns in his own bid for power. To find the truth, he must unravel the secret of Hadrian's past--what he discovers may end their friendship and break Riyria in two. And so continues the next volume of treachery and adventure, sword fighting and magic, myth and legend.
