Ever since William Jefferson Clinton and Hillary Diane Rodham entered the political arena in Arkansas more than a quarter-century ago, millions of words have been written about them -- from staid biography to pop psychology, from blatant hagiography to lurid diatribes, to the Star Report. Even so, they have remained enigmas, with many unanswered questions.

What drives them? What keeps them together? Do they or don't they? Will they or won't they? So many unknowns.

Until now.

For the first time, the most personal questions are answered in this objective, compassionate and intimate portrait of the world's most powerful couple, who have confounded all of us with their complex and unprecedented marital and political alliance.
