**This special 2-for-1 edition features *Missing* and *The Mill House* – two powerful and emotionally engaging novels from the *Sunday Times* bestseller.**

## **Missing**

It's an early autumn day like any other as Miles Avery drives his wife, Jacqueline, to the station. Nothing remarkable crops up in conversation, nor do either of them appear anything other than their normal selves. At the station, Jacqueline gets out, takes an overnight bag from the back seat, then turns towards the platforms. This is the last anyone sees of her.

Three weeks later, Miles calls the police. Enquiries are made, but there is no evidence of her boarding a train, or even entering the station. Very soon the finger of suspicion starts to turn towards Miles, and as dark secrets from the past begin to merge with those of the present, the great love he has been trying to protect is not only revealed but thrown into terrible jeopardy.

## **The Mill House**

Julia Thayne is a valued and loving wife, a successful mother and a beautiful woman. She is everything most other women strive to be. But beneath the surface is a terrible secret that threatens to tear her perfect world apart.

Joshua is Julia's husband – a dynamic, devastatingly handsome man with great style, charisma and humour. He is utterly devoted to his wife and children, but as the ghosts of Julia's past begin to move into their marriage, he finds himself losing the struggle to keep them together. Then two telephone calls change everything.

Julia moves from London to a remote mill house in Cornwall, determined to break free from the past and save her fractured relationship with Josh. But it is here that she makes her own fatal mistake, and once more her marriage is rocked to its very foundation.
