"It's rare to find a thriller writer who can simultaneously propel us readers forward at a breakneck pace and yet engage our minds as we unravel puzzles brilliantly seeded through the story. Pilkington does just this. The One You Love will captivate and keep you up nights." Jeffery Deaver, internationally bestselling author of the Lincoln Rhyme novels.

Experience the gripping opening instalment of the best-selling Emma Holden mystery trilogy.

Over three million downloads. Over 2000 five star reviews worldwide.

Emma Holden's nightmare has just begun. Her fiancé vanishes, leaving the battered and bloodied body of his brother in their London apartment. Someone is stalking her, watching her every move. And her family is hiding a horrifying secret; a secret that threatens all those she loves. In a desperate race against time, Emma must uncover the truth if she ever wants to see her fiancé alive again.

Outside North America the Emma Holden trilogy is published by the international publisher, Hodder and Stoughton (Hachette). The version here is identical to that published by Hachette in the UK and elsewhere. The novel uses British English spelling and grammar, so there are differences to US English (for example: favour, colour, grey, organise, rather than favor, color, gray, organize).
