Japanese-Soviet/Russian Relations since 1945: A Difficult Peace (Nissan Institute/Routledge Japanese Studies) Kimie Hara

An original book that reviews the problems of political rapprochement in terms of foreign policy decision-making between Japan and Russia since 1945, including the infamous 'Northern Territories' dispute. Uses four bilateral summits as case studies to explore patterns, changes and tendencies in the decision-making process. Concludes that much of the Cold War system of relations between the two states still remains in place at the end of the twentieth century.
