Managerial Accounting

Ray Garrison, Eric Noreen, Peter Brewer

Managerial Accounting Ray Garrison, Eric Noreen, Peter Brewer

As the long-time best-seller, Garrison has helped guide close to 2 million students through the challenging waters of managerial accounting since it was first published. It identifies the three functions managers must perform within their organizations—plan operations, control activities, and make decisions—and explains what accounting information is necessary for these functions, how to collect it, and how to interpret it. To achieve this, *Managerial Accounting, 12/E*, focuses, now as in the past, on three qualities:

Relevance. Every effort is made to help students relate the concepts in this book to the decisions made by working managers. With insightful chapter openers, the popular *Managerial Accounting in Action* segments within the chapters, and stimulating end-of-chapter exercises, a student reading Garrison should never have to ask “Why am I learning this?”

Balance. There’s more than one type of business, and so Garrison covers a variety of business models, including not-for-profit, retail, service, and wholesale organizations as well as manufacturing. In the twelfth edition, service company examples are highlighted with icons in the margins of the text.

Clarity. Generations of students have praised Garrison for the friendliness and readability of its writing, but that’s just the beginning. Technical discussions have been simplified, material has been reordered, and the entire book carefully retuned to make teaching—and learning—from Garrison as easy as it can be. In addition, the supplements package is written by Garrison, Noreen, and Brewer, ensuring that students and professors will work with clear, well-written supplements that employ consistent terminology.

From reader reviews:

Jason Hill:

Information is provisions for anyone to get better life, information today can get by anyone with everywhere. The information can be a information or any news even a problem. What people must be consider if those information which is inside former life are hard to be find than now's taking seriously which one works to believe or which one the actual resource are convinced. If you get the unstable resource then you understand it as your main information it will have huge disadvantage for you. All those possibilities will not happen within you if you take Managerial Accounting as your daily resource information.

Sharon Bedgood:

Reading a publication can be one of a lot of exercise that everyone in the world likes. Do you like reading book thus. There are a lot of reasons why people love it. First reading a book will give you a lot of new facts. When you read a publication you will get new information due to the fact book is one of many ways to share the information or even their idea. Second, looking at a book will make you more imaginative. When you looking at a book especially tale fantasy book the author will bring that you imagine the story how the figures do it anything. Third, you could share your knowledge to other folks. When you read this Managerial Accounting, you are able to tells your family, friends as well as soon about yours reserve. Your knowledge can inspire different ones, make them reading a reserve.

Susan Preuss:

Exactly why? Because this Managerial Accounting is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will zap you with the secret this inside. Reading this book alongside it was fantastic author who also write the book in such incredible way makes the content inside of easier to understand, entertaining approach but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of positive aspects than the other book get such as help improving your expertise and your critical thinking approach. So , still want to hesitate having that book? If I had been you I will go to the guide store hurriedly.

Diane Sanchez:

That reserve can make you to feel relax. This specific book Managerial Accounting was colourful and of course has pictures on the website. As we know that book Managerial Accounting has many kinds or type. Start from kids until teens. For example Naruto or Investigation company Conan you can read and think you are the character on there. Therefore , not at all of book are generally make you bored, any it offers you feel happy, fun and relax. Try to choose the best book in your case and try to like reading that.
