## **Undaunted Participants Guide** Caine Christine

In *Your God Is So Big!*, Christine Caine, popular conference speaker and co-founder of Equip and Empower Ministries and the A21 Campaign (the "Ministries") makes her North American literary debut with an inspirational book offering life-transforming insights about how to not only overcome the challenges, wrong turns, and often painful circumstances we all experience, but to actually grow from those experiences and be equipped and empowered. Using her dramatic life story to create the narrative arc, Christine Caine will take her readers on an epic journey through the stages of pain and loss that ultimately lead to hope, healing, transformation and new beginnings. Along the way, she will show readers how they pass by miracles every day without realizing the miracles hidden in plain sight in their communities and their lives. She will show readers how God healed her and then opened her eyes to the shadows of our world where He is actively working -- the very places we too often overlook or ignore. She will encourage her readers to open their lives to God's miraculous touch and determine today to be the miracle! Grounded in reality and personal experience, and using the passionate narrative style that has made Christine Caine one of the most sought after speakers in the world, *Be the Miracle* is much more than a typical self-help book. It is a call to action for anyone who has experienced the challenges of life and is willing to let God use those experiences to bring strength and transformation to their lives and in a world of hurt and need open themselves up to a loving, caring, miracle-working God and be changed forever.
