Letters from Father Christmas, Revised Edition J.R.R. Tolkien

Every December, an envelope from the North Pole would arrive for J.R.R. Tolkien's children. Inside would be a letter in strange, spidery handwriting and a beautiful color drawing. The letters told wonderful tales of life at the North Pole: how all the reindeer scattered presents all over the place; how the accident-prone Polar Bear climbed the North Pole and fell through the roof of Father Christmas's house; how he broke the Moon into four pieces and made the Man in it fall into the back garden; how there were wars with a troublesome horde of goblins. Sometimes the Polar Bear would scrawl a note, adding yet more humor to the stories. No reader, young or old, can fail to be charmed by the inventiveness of Tolkien's Father Christmas Letters.
