The Whole Song: Selected Poems (American Poetry Recovery Series) Vincent Ferrini, Kenneth Warren, Fred Whitehead

Collected works of Vincent Ferrini, known as the people's poet of the 20th century. With a voice emerging from class tensions, labor struggles, the Great Depression, and World War II, Vincent Ferrini lived as a people's poet crying out for an end to exploitation and organized greed. Radical Christian gnosis and the conviction that poetry should be more than a display of word-craft distinguished him from poets like T. S. Eliot, infusing his work with dynamic images of Christ as a fighter, a revolutionary, and a martyr in opposing the mighty for the sake of the poor.
