Thirteen years ago, Sarah Richardson's life was shattered after the tragic death of her mother. The shocking event left a grief-stricken teen-aged Sarah with partial amnesia.

*Some things are easier to forget.*

But now a familiar voice from her childhood sends Sarah, a talented mid-twenties ad exec, back to her past. A past that she had thought was long buried.

*Some things are meant to be buried.*

Torn by nightmares and visions of a yellow-eyed wolf and aided by creatures of the Earth and killer whales that call to her in the night, Sarah must face her fears and recover her memories--even if it destroys her.

*Some things are meant to be remembered--at all cost.*

Set on the east coast of Vancouver Island, Whale Song is an inspiring novel that explores themes of racism, bullying, deception, tragedy, love and forgiveness. It's a novel that will change how you view life...and death.
