Kristin Shaw ran away to Wyoming, looking to escape a broken heart. After becoming widowed on her honeymoon, she can barely breathe, and isn't sure life is worth living. Moving to a remote area of the country, she wants to hide away and heal her mind. Forced to confront rural life in Wyoming, she faces challenges that make her question her move.

Ty Addison is rough around the edges, having grown up on a farm, and now working in the small rural town. He had no intention of falling for the girl from New Jersey, in fact, he wasn't even sure he liked her at first. Finding himself attracted Kristin, can he convince her to give him a chance? Or will she go back to the safety of suburbia life she once knew? (Each book is a complete story, no cliffhangers)
