”She opened me up, expertly, finding my g-spot like a heat-seeking missile”

There is nothing like the sensual touch of another woman. Only we know how to bring each other to the boil. Soft caresses leading to hard physical penetration and pulsating orgasms. What man can do that!?

These lesbian adventures are **far too taboo** to describe here. Take a peek inside for a flavour of the action

Excerpt From Driving Me Hot

“We walked silently across the parking garage floor, our footsteps echoing around the concrete walls, the only sound in the otherwise silent space.

She reached out her hand towards me. I met her halfway, lightly touching her fingers as we walked. She clicked her keyring, and a menacing looking BMW 7 series awoke in the corner, lights blinking on and interior light illuminating the leather and wood interior.

We climbed in and I sank back into the deep, soft leather seats.

“Are you ready for a ride?” she asked. She winked at me, and I was completely in her power. I nodded and she gunned the engine. It’s soft engine note rose, and echoed off the walls of the garage, as we glided out of the exit and onto the road.”
