Death Rattles

Andy Rausch

Death Rattles Andy Rausch

From the warped mind of author Andy Rausch comes *Death Rattles*, a unique collection of sixteen chilling short stories. These macabre tales cover all the bases of classic horror, from ghosts and zombies to demonic possession, but each are handled in such a way as they've never been before. Aficionados of the genre won't want to miss this one-of-a-kind collection of horrifically twisted tales. "Andy Rausch grew up reading Stephen King and watching great stuff like *Twilight Zone*, *Carrie*, and *Alfred Hitchcock Presents*, from the time he was ten-years-old. He took inspiration from all of it, but his writing has its own powerful uniqueness. His tough, muscular, hard-hitting prose is married to thought-provoking concepts that make you question your own opinions, your own moral stance, your own preconceptions of right and wrong. Don't miss *Death Rattles*! It will rattle your brain and tingle your spine!" —John Russo, author, *Night of the Living Dead* "The classic horror short story not only lives and breathes. In the imaginative brain of Andy Rausch, it's totally reanimated. Want proof? Sample, from this brain-busting collection, 'The \$10,000 John Wayne Magnum Opus.' But not just before you go to sleep, unless you want to risk nightmares." —Herschell Gordon Lewis, author, *Blood Feast* "I believe that *Death Rattles* by Andy Rausch contains the absolute best short stories of the year!" —Lloyd Kaufman, author, *The Toxic Avenger*

Edna Davis:

Playing with family within a park, coming to see the ocean world or hanging out with good friends is thing that usually you might have done when you have spare time, after that why you don't try issue that really opposite from that. 1 activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love Death Rattles, it is possible to enjoy both. It is fine combination right, you still want to miss it? What kind of hang type is it? Oh seriously its mind hangout fellas. What? Still don't buy it, oh come on its named reading friends.

Carmen Helton:

This Death Rattles is great guide for you because the content and that is full of information for you who always deal with world and still have to make decision every minute. This particular book reveal it details accurately using great plan word or we can declare no rambling sentences in it. So if you are read it hurriedly you can have whole information in it. Doesn't mean it only will give you straight forward sentences but tough core information with splendid delivering sentences. Having Death Rattles in your hand like obtaining the world in your arm, data in it is not ridiculous just one. We can say that no e-book that offer you world in ten or fifteen minute right but this reserve already do that. So , this can be good reading book. Hey there Mr. and Mrs. stressful do you still doubt this?
