Night Circus Etienne Delessert

Author and illustrator Etienne Delessert reflects on his lifelong pursuit of art using the dreamlike scenario of a circus procession filled with fairy-tale allusions and literary inspirations. As each car passes, a different act represents a "stage" in life, and the performers direct a question to the bystander, prompting him to participate and follow the caravan into the great unknown. Lighting a candle, he affirms his own contribution to the artistic tradition and invites readers to play their part in the game of life.
