**Punished by her Professor (First Time Humiliating Medical Menage)** Svet E. Bodeese

First year medical student Fiona Martin is in some serious trouble.

Her classmates and even her professor, the estimable (and irresistible) Dr. Spalding, have rallied against her to kick this overly entitled, narcissistic diva straight out of medical school. Dr. Spalding sees in her the potential to become a great physician however, so he gives her a chance to redeem herself, if she's willing to accept a simple punishment.

Her punishment? She'll have to submit to a **humiliating public examination**. And you can bet this isn't going to be any normal medical exam...

Fiona is used to being in control, and calling all the shots. But she's soon going to find out what it's like to lose control... **while a room full of her classmates watch!**
