WHAT WOULD YOU DO IF THE MONSTERS IN A BOOK BECAME REAL?

When twelve-year-old Eliza Winter finds a secret room in her missing grandfather's sprawling, Gothic house, her safe, sheltered life is blown apart. Inside, below a stained glass window where moonlight shines no matter the time of day, sits *The Book of Kindly Deaths*.

In defiance of her controlling mother, who has always forbidden her to read anything strange or imaginary, Eliza takes the book. As night sets in, Eliza reads one haunting story after another. And the further she journeys inside the book, the more the boundaries between our world and a shadowy land of monsters and forbidden places begin to blur.

When the strange, crooked man from the book arrives on the doorstep claiming to be a rare-book collector and demanding entry into the house, Eliza's world is turned upside down. To escape him, she must dive all the way into the spine-tingling world of *The Book of Kindly Deaths* to save her grandfather--and write an end to the nightmare she's caught inside.
