Historian Erika Carr discovers a Revolutionary War era espionage report authored by Paul Revere. Within the report is a clue suggesting that a second message exists, waiting to be found. Along with Parker Chase, she sets off in search of Revere's lost report, determined to unearth the priceless American treasure.

The silversmith's letter sends them on a journey that leads to astonishing revelations surrounding a centuries old conspiracy to destroy American independence. On Revere's trail, they are attacked by a murderous syndicate of international powerbrokers intent on silencing them forever, a desperate group of men with connections to the upper echelons of government.

Parker and Erika must outwit an invisible enemy while unraveling a conspiracy that stretches from the morally bankrupt halls of Wall Street to oil-soaked sands in the Middle East. Locked in a struggle for their lives and with the fate of a nation hanging in the balance, they fight to reveal an unthinkable secret that could rewrite American history.
