Dark Secrets of the New Age: Satan's Plan for a One World Religion Texe Marrs

In the pages of this revealing book, the secret "Plan" of the New Age Movement is exposed for the first time in startling detail. Basing the book on an in-depth investigation of the Movement, author Texe Marrs includes over 600 actual quotes from New Age leaders which unveil their "Plan" for establishing a New Age Messiah to lead a One-World Religion and a global government. As part of the "Plan," the Movement intends to wage a total spiritual war against Christian believers. Their ultimate goal? To eliminate every vestige of Christianity.

This is the most complete and well-documented book ever published about the New Age Movement. It shows exactly what is now being done by the New Age leadership to gain influence in every facet of society, from the entertainment industry to public schools and government. Marrs details specifically the New Age Plan to win over the next generation by flooding the media--TV cartoon shows, movies, comic books, libraries, etc.--with material that promotes New Age religious thinking and doctrine. Finally, Marrs shows how New Age ideas have already begun to infiltrate and undermine Christian churches from within.

Dark Secrets of the New Age is a sobering expos of the alarming New Age Movement with an urgent message for every believing Christian.
