History, Perspectives and Applications (Student Handbook to Psychology)

Kenneth D. Keith

History, Perspectives and Applications (Student Handbook to Psychology) Kenneth D. Keith

Psychological ideas originated in ancient philosophy, but psychology entered the realm of science just over a century ago with applications to help people shortly afterward. *History, Perspectives, and Applications* traces the path of psychology through philosophy and biology into a vibrant discipline that deals with the process of development, socialization, learning, abnormal behaviour, and cultural influences. Throughout psychology's history, there has been a constant interplay between social forces and psychological theories. Written in engaging and accessible prose by experts in the field, this new, full-colour resource is perfect for anyone interested in this fascinating field of study.
